If you are unable to use the IRS Data Retrieval Tool

Some students and parents may be unable to use the IRS DRT. Examples of these situations include: (1) Your marital status changed after December 31, 2020, (2) You filed your tax return as "married filing separately" and indicated a status of "married/re-married" when completing the FAFSA, and (3) You filed a foreign tax return.

If you are unable to use the IRS DRT, you can submit a **signed** copy of your 2020 tax return. If you did not keep a copy of your tax return, here are some options. **Please note that due to COVID-19 restrictions, not all options may be available in your area.**
